Comunique No.3

January 24, 1975

We, FALN, the Armed Forces of the Puerto Rican Nation take full responsibility for the especially detornated bomb that exploded today at Fraunces Tavern with reactionary corporate executives inside.

We did this in retaliation for the CIA ordered bomb that murdered Angel Luis Chavonnier and Eddie Ramos, two innocent young wrkrs who suppoorted puerto Rican independence and the concienceless maiming of ten innocent persons and one beautiful Puerto Rican child six years old in a Mayaguez, Puerto Rico dining place on Saturday the eleventh of January of 1975.

The Yanki government is trying to x terrorize and kill our people to intimidate us from seeking our rightful independence from colonialism. They do this in the same way as they did in Viet Nam, Guatemala, Chile, Argentina, Mexico, the Congo, Algeria and in many other places including the United States itself. But this CIA/Colby method will fail.

In our comunique number 2 we warned the North American Government that to terrorize and kill our people would mean retaliation by us. This was not an empty warning,

The bombs exploding in Puerto Rico and the United States in support of striking workers, in demand of the release of our political prisoners and our independence and to protest the Rockefeller - Kissinger visits, have avoided any injury to innocent people. The attacks on our people have been elevated vicious criminal brutality and murder, of hungry hard working people- You have unleashed a storm from which you comfortable Yankis cannot escape.

Release OScar Callazo, Lolita Lebron, Rafael Cancel Miranda, Andres Figueroa Cordero, and Irving Flores.
